Long Boards
Creative Options XL planks are longer and wider offering the perfect blend of beauty and performance.

Loose Lay Installation
Extra thick planks can be installed without the use of adhesives and hide minor subfloor irregularities.

Waterproof
Designed to withstand spills, moisture, and heavy foot traffic, making it ideal for kitchens, bathrooms, basements, and commercial spaces.

Durable
Features a heavy commercial grade wear layer to maintain the floors original appearance and provide superior performance.

Easy To Maintain
The advanced polyurethane finish keeps dust, dirt and grime at the surface where it is easily wiped clean.

Pet Friendly
Resistant to scuffs, scratches and stains. Perfect for pet friendly homes and businesses.
